

# ELEVATE YOUR RV EXPERIENCE WITH...

...Velarium's premium powered awnings.

Transform RVer's experience with Velarium's premium RV powered awnings, designed for versatility and style. Featuring innovative pitch-adjusting arms, these awnings offer customized shade and protection from the elements, allowing RVer's to enjoy outdoor living to the fullest. The modular arm and roller assembly design are retrofit-able to other major awning manufacturers. With sizes ranging from 10' to 22' Velarium can accommodate your specific needs.

Illuminate evenings with integrated LED lighting that enhances the outdoor ambiance, creating the perfect atmosphere for relaxation or entertaining. Upgrade with our premium powered awnings and RVer's will enjoy the ultimate blend of functionality and elegance on their travels.

## VERTICAL ARM 12V POWER HARDWARE

- **Modular Arms** –Interchangeable means fewer stocking parts. Arm sets can be used with any awning width.
- **Patent-Pending Pitch Adjustment** –Arm features an easy to set pitch lock to provide shade at a range of angles depending on the sun position.
- **Manual Override** –In the case of power loss.
- **Direct Replacement** –Retrofit to Lippert, Carefree, and Dometic.
- **Available in 62" and 68" heights**
- **Available in Black or White**

### SOLID BLACK OR WHITE

Part Number	Size
VP6211	62" Black 12V Awning arms
VP6811	68" Black 12V Awning arms
VP6212	62" White 12V Awning arms
VP6812	68" White 12V Awning arms

### AWNING FABRIC AND ROLLER ASSEMBLY ON BACK
