# OFF Awning (

# **SWITCH ASSEMBLY**

### **Velarium Switch Assembly**

Single awning switch assembly with bezel and VA1001 harness Double awning switch assembly with bezel and VA1002 harness

# **VELOCITY SWITCH**

The Velocity Switch from Velarium uses proprietary technology to safely increase the speed at which your awning deploys and retracts. Integrated soft start technology gently starts the awning motor, increasing motor life. You'll have more time to get out and enjoy the great outdoors. Side-by-side tests have shown the Velarium Velocity Switch to be as much as twice as fast as other awning switches.

- Nearly TWICE AS FAST as standard switches!
- Easy Installation!
- Deploy & retract your awning FASTER!
- Reduce chance of wind damage
- An easy-to-install upgrade for existing awning switches\*

\*The Velarium Velocity Switch is compatible with most 12V vertical arm awning brands

#### **Velarium Velocity Switch**

VA0801

Velocity Control Switch and Harness

- Complete Slide-Out Topper Kit Includes hardware, brackets, springs, roller and fabric.
- Prevents water from pooling on top of slide-out and damaging seals, protecting your investment.
- Provides shade to the slide-out keeping the interior cooler.
- Available in Black, white and gray\* vinyl and your choice of Black or white hardware. \*For gray fabric options, please contact your sales representative.
- Built-in anti billowing device.

## **SLIDE-OUT TOPPER COMPLETE KIT**

Constructed with heavy-duty, 13.5 ounce, 1000 denier count vinyl with sewn seams. Room measurement to be taken from outside to outside of the Fascia (trim).

NOTE: If the slide-out has been prepped by the OEM with competitive slide-out topper brackets please contact Velarium for adapter brackets to make your installation easier.

# WHY CHOOSE VELARIUM AWNINGS?

At Velarium we prioritize product quality, supply consistency, and design innovation for awnings and awning accessories for the RV industry. Our awnings and awning accessories are designed specifically for the RV lifestyle with consciously designed components to meet customer demand and supersede the unique challenges of life on the road. Our central location in Elkhart and in-house team with decades of knowledge and experience ensures that Velarium is always ready to meet the evolving needs of the modern RV market.

- Stylish, robust 12V awning features the largest pitch angle available in the market
- Features patent pending pitch-locking latch unmatched by what competitors offer
- Velarium products are sourced globally and assembled locally in Elkhart, Indiana
- Product backed by decades of industry specific expertise designed to elevate the RV experience for all
- Velarium is part of the Airxcel family of brands with Airxcel's renowned level of customer first service before, during and after every sale

Whether you're a full-time RVer or only use your coach for weekend getaways, creating comfortable spaces to spend your time while on the road is key to enjoying the RV experience. Awnings help RV enthusiasts by creating comfortable spaces inside and outside plus they protect your RV investment for years of happy use.

## **5 WAYS RV AWNINGS WILL BENEFIT RV OWNERS**

- 1. Keep RV Cooler on Hot Days: By blocking sunlight from ever reaching the main body of your RV, awnings help to keep the interior of coaches cooler by keeping solar heat away.
- 2. Protect RV Against Sun Damage: Prolonged exposure to sunlight can result in costly damage to your RV because of the harmful effects of UV rays. UV can cause the deterioration of furniture, fabrics, paints, and flooring in your RV that shows as discoloration, warping, or premature aging and reduces the natural lifespan of these elements.
- 3. Added Privacy for RV Interiors: Without having to close off interiors by drawing internal shades, RV owners can still enjoy privacy with an exterior awning that blocks the view in from the outside leaving the interior living spaces feeling protected yet open.
- 4. Create Usable Outdoor Spaces: With space at a premium in any RV, the added feet of usable living space that awnings create is a worthwhile benefit for many RV owners. Awnings protect your outdoor area from the weather making spending time outdoors while at the campsite more enjoyable.
- 5. Save Money: When you have an awning protecting your RV your pocketbook benefits. Whether it's blocking UV rays to prevent the high cost of replacing sun damaged items or helping to naturally keep RVs cooler without additional energy use, RV owners can save money with an awning on board.

And while there are plenty of companies making awnings, only Velarium boasts the service and support of being an Airxcel family brand along with other trusted names in the RV market including Coleman-Mach, Maxxair, Suburban, Aqua-Hot, MCD Innovations, United Shade and Dicor Products.

Velarium sets the standard for RV awning innovation, delivering premium shade and protection for every adventure. Designed for durability and effortless operation, Velarium awnings enhance outdoor living spaces with reliable performance and sleek aesthetics—so RVers can experience adventure in every shade.

From powered awnings and slide toppers to integrated lighting and advanced weather-resistant materials, Velarium offers solutions that maximize comfort and convenience. Built to withstand the elements and engineered for ease of use, Velarium ensures RVers can relax, entertain, and enjoy the outdoors with confidence, no matter where the journey leads.
